

Recipe Strawberry Whip

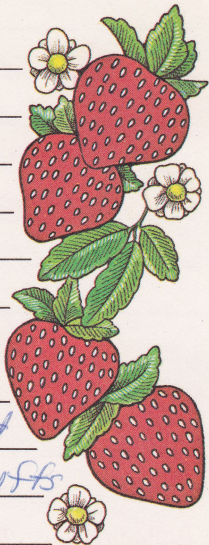

from the kitchen of Notesfiles

1 pint strawberries

1 c confectioners sugar

2 egg whites

Puree the strawberries in the blender or food processor. Place in mixing bowl with sugar and egg whites. Beat on high for 20 minutes. The mixture fluffs up to be very light & airy serves (over)

Pat in freezer and serve for
dessert.

(Although recipe calls for cont. sugar,
author used regular sugar & it
worked out fine.)
