

Try this light and refreshing cherry salad.

2 small (3 ounces) boxes of cherry Jell-O

2 cups boiling water

1 20 ounce-can crushed pineapple

1 can cherry pie filling

1/2 cup chopped nuts

1 8-ounce package cream cheese

1/2 pint sour cream

1 teaspoon vanilla

1/2 cup sugar

2 cups Cool Whip

Prepare Jell-O with boiling water; let cool slightly.

Mix together cream cheese, sour cream, Cool Whip, vanilla and sugar. Slowly beat in cooled Jell-O.

Still using beater, add pineapple and cherry pie filling (it will chop up cherries, but that makes the taste blend better all the way through). Stir in nuts, if desired. Let set and serve.
