

Jif® EASTER NESTS

Makes approx. 1 dozen nests

4 cups chow mein noodles

1/2 cup light corn syrup

1/2 cup sugar

3/4 cup **Jif®** Creamy or Crunchy Peanut Butter

Smucker's® Jelly Beans or other egg-shaped candies

In large mixing bowl, use your hands to break noodles into smaller pieces. In large saucepan, combine sugar and syrup. Cook over medium heat until sugar is melted and edges begin to bubble. Add **Jif** Peanut Butter and stir until smooth. Pour mixture over noodles and toss to coat.

Carefully test for temperature. With slightly buttered hands, form mixture into tight balls using approx. 1/4 cup mixture per ball. Make indentation in center of each ball to resemble a bird's nest. Place on waxed paper and allow to cool completely.

Place two or three **Smucker's** Jelly Beans or other egg-shaped candies into each nest.
