

"Puppy Chow"

1 12oz pkg choc chips
(about 2 cups)

$\frac{1}{2}$ - $\frac{1}{2}$ cup veg. oil

$\frac{1}{2}$ cup peanut butter

(original recipe calls for creamy - I always use chunky)

1 12oz box Crispix cereal (about 12 cups)

4 cups powdered sugar

In saucepan, melt choc. chips + oil over low heat,

stirring constantly. Remove from heat & stir in peanut butter. In large bowl, pour mixture over cereal, gently tossing until well coated. Place sugar into two-gallon-size storage bag. Add coated cereal & close bag tightly. Shake gently until cereal is thoroughly coated. Refrigerate in airtight container. $\frac{1}{2}$ cup serving = 200 calories. Yields about 16 cups.

I use Tupperware V-size bowl for coating cereal first with chocolate & then add 2 cups sugar & shake before adding 2 more c. sugar.
