

Recipe: Cooked Potatoes

From: _____

Makes: _____

Peel potatoes. Put in water in pan. Don't have to cover potatoes with water - $\frac{1}{2}$ to $\frac{3}{4}$ up to the top of the potatoes. Bring to boil after adding some salt. Then simmer about $\frac{1}{2}$ hour. Test with a fork. Drain off water immediately when done. Can leave in ~~the~~ pan for a bit.
