Rudolph's® Bright Idea #14 from McCall's Tasty Candy Wreath

1. Melt 1 1/2 Tbs. margarine in a saucepan over low heat. Add 5 oz. of marshmallows (approx. 20) and stir until completely melted. Remove from heat and tint with food coloring. Mix in 3 cups of crisp rice cereal.
2. Coat your hands with margarine and form the crisp rice mixture into a ring on wax paper. (Ring should be about 7 inches in diameter.)
3. Stir a few drops of food coloring into the frosting until blended thoroughly. Reserve 1/4 cup and set aside.
4. Spread a thin layer of frosting over the entire ring.
5. Place green "M&M's"® Plain Chocolate Candies (approx. 2 lbs.) all over the ring, cover frosting completely.
6. Dab frosting on the red "M&M's"® Plain Chocolate Candies and place three candies in a cluster to create berries. Dab frosting on the back of a bow, and place it at the top of the wreath. Slice and serve!
