

Trix[®] Micro Bars

**3 tablespoons margarine
or butter**

**25 large marshmallows or
3½ cups miniature marshmallows**

5 cups Trix[®] cereal

Grease square pan, 8x8x2 or 9x9x2 inches. Place margarine and marshmallows in large microwavable bowl. Microwave uncovered on high 1 minute 30 seconds to 3 minutes, stirring after 1 minute, until mixture is melted and smooth when stirred. Stir in cereal until well coated. Press mixture in pan; cool. Cut into about 2x2-inch bars. 16 bars.

High Altitude Directions (3500 to 6500 feet): Microwave margarine in microwavable bowl until melted; stir in marshmallows. Microwave on medium (50%) 2 minutes; stir until mixture is blended and smooth. Continue as directed.
