New Lemon Bars

My family likes these real well.

$\frac{1}{3}$ cup oil

1 egg

1 yellow or lemon cake mix

1 package (8 ounces) cream
cheese

$\frac{1}{3}$ cup sugar

1 egg

2 rounded tablespoons lemonade
crystals

Combine oil, egg and cake mix until crumbly. Save 1 cup crumbs for top. Press remaining crumbs into a 9 by 13-inch pan. Bake at 350 degrees F. for 15 minutes.

Beat together cream cheese, sugar, egg and lemonade crystals and pour over crust. Add crumb topping and bake in 350 degree oven 15 minutes.
