1 - yellow cake mix ( Duncan Hines )

2 eggs + 1 stick of oil. Mix like pie crust &  
spread onto a 9x13 pan or jelly roll pan greased.  
Pat down + sprinkle pecan meats on top

Beat together 1 - 8 oz. pkg. Cream Cheese,  
2 eggs and 1 lb. Powdered sugar.  
Pour over top of pecans.

Bake at 350° for 45 min.

Cool 2 hrs. before cutting into  
bars.

I used a jelly roll pan + a Pillsbury cake mix.  
Watch while baking as they brown quickly. I used  
a sheet of foil to keep from getting so brown.

Good Luck!
