TO THE lady at Husker Husker Days who wanted to make Blue Punch. I'm pleased that I was able to locate the recipe. Here it is.

6¼ cups lemon juice

6¼ cups sugar

40 cups water

40 drops of blue food coloring

**45 cups Sprite**

Mix lemon juice, sugar, water and food coloring. Add Sprite just before serving.

This recipe will serve 125 people. Note: Do not substitute for the Sprite. Sprite will retain the blue color.
