

## ORANGE SHERBET PUNCH

2 qt. orange juice

1 (12 oz.) can frozen lemonade

(2 6oz. cans)

$\frac{1}{2}$  gal. orange sherbet

1 qt. bottle ginger ale

Allow sherbet to soften in refrigerator an hour or two before serving. About 15 minutes before serving, use portable mixer to mix sherbet. Dilute frozen lemonade with water as per can instructions and add to sherbet along with orange juice. Mix in ginger ale just before serving. Needs no ice ring. Serves 35.
