

Cream Cake

1 cup sweet or sour cream

1 cup sugar

1½ cups flour

1 egg

½ t. salt

2 t. baking powder

½ t. baking soda

Beat the egg, then beat in the sugar, then beat in the cream. Mix the dry ingredients together and mix into the egg, sugar and cream—a third at a time. Beat well. Bake in 350 to 400 oven for 20 to 30 minutes, until brown.
