

Dear Ruth Anne,

5/29/48.

One way of getting our
correspondence taken care
of! Recipes? Sorry my
dear I don't have any
specials & if I tried I know
I'd forget the most important
items.

I certainly am happy
for you and wish you

the best of luck for a
happy and long wedded
life.

Best of wishes and happiness
for you,
Lovingly,

P.S. It's a long way
since dear old High!
