Recipe for Fun

Here is a favorite recipe
I'd like to pass on to other
young mothers. Lots of fun
for the kiddies and easy
clean-up for Mommy too.

Playdough

Mix 2 cups flour and 1 cup
salt well. Slowly add $\frac{3}{4}$ to 1
cup water (so as not to get
too wet). Knead like bread
dough, and dough will be
like plastic. Food coloring
can be added for colored
dough. Store in tight contain-
er to keep from drying out.
Objects made from this ma-
terial can be left out to hard-
en, then be painted.
