

Monday 6 P.M.,

Dear folks - Sandy took L. home for bed this afternoon & is now back planting & Casey is moving. Gary put up a tree swing now. Yesterday noon he tried to get me <sup>on phone</sup> (forgot I was going to Wahoo) & finally drove over here she said. I'm sure he is worried that I might fall - never have yet tho. They were going to the new downtown Omaha park or mall & knew I'd wanted to see it. I didn't tell you today that the high chair was like new & only \$12.<sup>00</sup> & I bought it at a second hand store in Valley. They had nice things, was open a few years & now closed.

I'm writing to send that recipe. This is the way I have it but am going to change it in my book.

One 12 oz box cottage cheese  
One 3 oz pkg. orange jello sprinkled  
over cheese & stirred

One can (~~small~~ 11 oz) mandarin oranges  
One small can crushed pineapple drained

One small container Cool Whip Mix all.  
Today I used pine. tidbits (could cut up & sliced) Put them & orange sections in collander & let stand awhile. Tonight the salad is so solid, always before it had liquid in bottom.

Tues a.m.

I thought I'd seen this same recipe somewhere so now found it in Lois Jean's church book. Same thing only it adds 1 cup fruit cocktail or 1 cup peaches. Called Panic salad.
